If the DSPs who have requested additional hours have specified times they are available to work, the days and hours are listed. Otherwise, they potentially have open availability.	**Consumers:** Please do not call DSPs after 9:00pm. If you contact a DSP and do not hear back from them within 24 hours of your call, please let us know. If your number is not working, or you do not return calls, you will be removed from the list without contact from MCIL. If you are unsure of your status, please contact MCIL. If you would like to be removed, or put on, the list of staff seeking additional hours, please contact MCIL in-office staff. *****Please keep track of the Consumers contacting you as well as dates.
